

# Territories ARP Child Care Stabilization Fact Sheet

## 400 Child Care Programs across the Territories have begun Receiving American Rescue Plan Stabilization Support, Impacting up to 5,700 Children

ARP's historic investment provided American Samoa, Guam, the Northern Mariana Islands, Puerto Rico, and the Virgin Islands with a total of \$308.7 million for their Child Care Stabilization programs. The program has been critical to helping child care centers and family child care providers remain open or reopen, keeping child care workers on the payroll, and ensuring families have reliable options for high quality care while they work. Child care programs are mostly small businesses and are essential for families, communities, and the economy.

The ARP Child Care Stabilization program has been an unprecedented lifeline for the child care sector that helped parents return to work and spurred economic recovery. So far, more than 200,000 child care programs serving as many as 9.5 million children have received assistance across the country from this program.

In the Territories:

- Providers in Guam, the Northern Mariana Islands, Puerto Rico, and the Virgin Islands have all begun applying to receive stabilization funds.
- Stabilization payments are expected to continue into 2023.
